**CORRECTED DECISION**

This is a decision on the petition filed, September 29, 2005 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed September 7, 2004, which set a shortened statutory period for reply of three (3) months. Two-months extension of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the above-identified application became abandoned on February 8, 2005.

The above-identified application is being revived solely for purposes of continuity with a Request For Continued Examination (RCE) filed on May 19, 2006.

The revocation of power of attorney with new power of attorney and change of correspondence address submitted May 12, 2006 is not accepted. Signatures of all the inventors are required. Submit multiple forms if more than one signature is required. A courtesy copy of this decision is being mailed to Customer Number 44777; however, the Office will mail all future correspondence solely to the address of record.
